e-Callisto Milestone reached:

Solar radio event number 1000 recorded!

This week we got radio event number 1000 from Ooty.
This is a wonderful result of the e-Callisto network.
Congratulations to all observers who are taking care of their instruments.

This blog gives you a brief overview about the network. And, the most important links can be found at bottom of the blog: <http://www.e-callisto.blogspot.com/>
